who are we...

Founded in 1999 by **Nadim Mehanna**, NMPRO is today a full-service production company offering the finest film and multimedia solutions in GCC and the Middle East. NMPRO provides production services for all kind of projects ranging from feature films, complex events, motion pictures, corporate videos, television shows, documentaries, trailers, music videos, shorts, reels, social medias activations, to viral marketing and of course TV commercials, all of it entirely backed up by multipurpose studios, animations, computer-generated imagery (CGI), 3D, UHD and 4K post-production services.

NMPRO started in 1999 by producing state of the art Motoring and Hi-Tech TV shows such as MotorShow SPEED, RPM, TECHNO for various prestigious Middle East satellite and terrestrial TV networks, such as LBC, MTV, MBC, Al Jazeera, StarzPlay, Dubai TV, Qatar TV, Bahrain TV, STC TV, Rotana, to name few.

In 2002, NMPRO started organizing mega events for several car manufacturers and multinational companies such as: Philip Morris, Red Bull, Cartier, Airbus, Toyota, Audi, Cadillac, Lexus, Bentley, BMW, Mini, Bridgestone and many more. NMPRO also offers full multimedia and multilingual means to give its events a complete and interactive coverage with comprehensive exposure on Television, Radios, Outdoor and extensively Online.

In 2003, NMPRO started producing top level TV Commercials for various brands, products and multinationals. It was time for NMPRO to launch its exclusive Graphics and 3 Dimensional Animations Studios for shows' graphics and scenes reconstructions for movies.

In 2004, NMPRO established a new branch in Dubai at the renown global media hub in Dubai Media City.

our story...

In 2005, NMPRO founded and launched AURA a make-over and shadowing agency to work and enhance the image of Public Figures and Celebrities, coaching them communication skills, physical attire, body language and dealing with camera techniques.

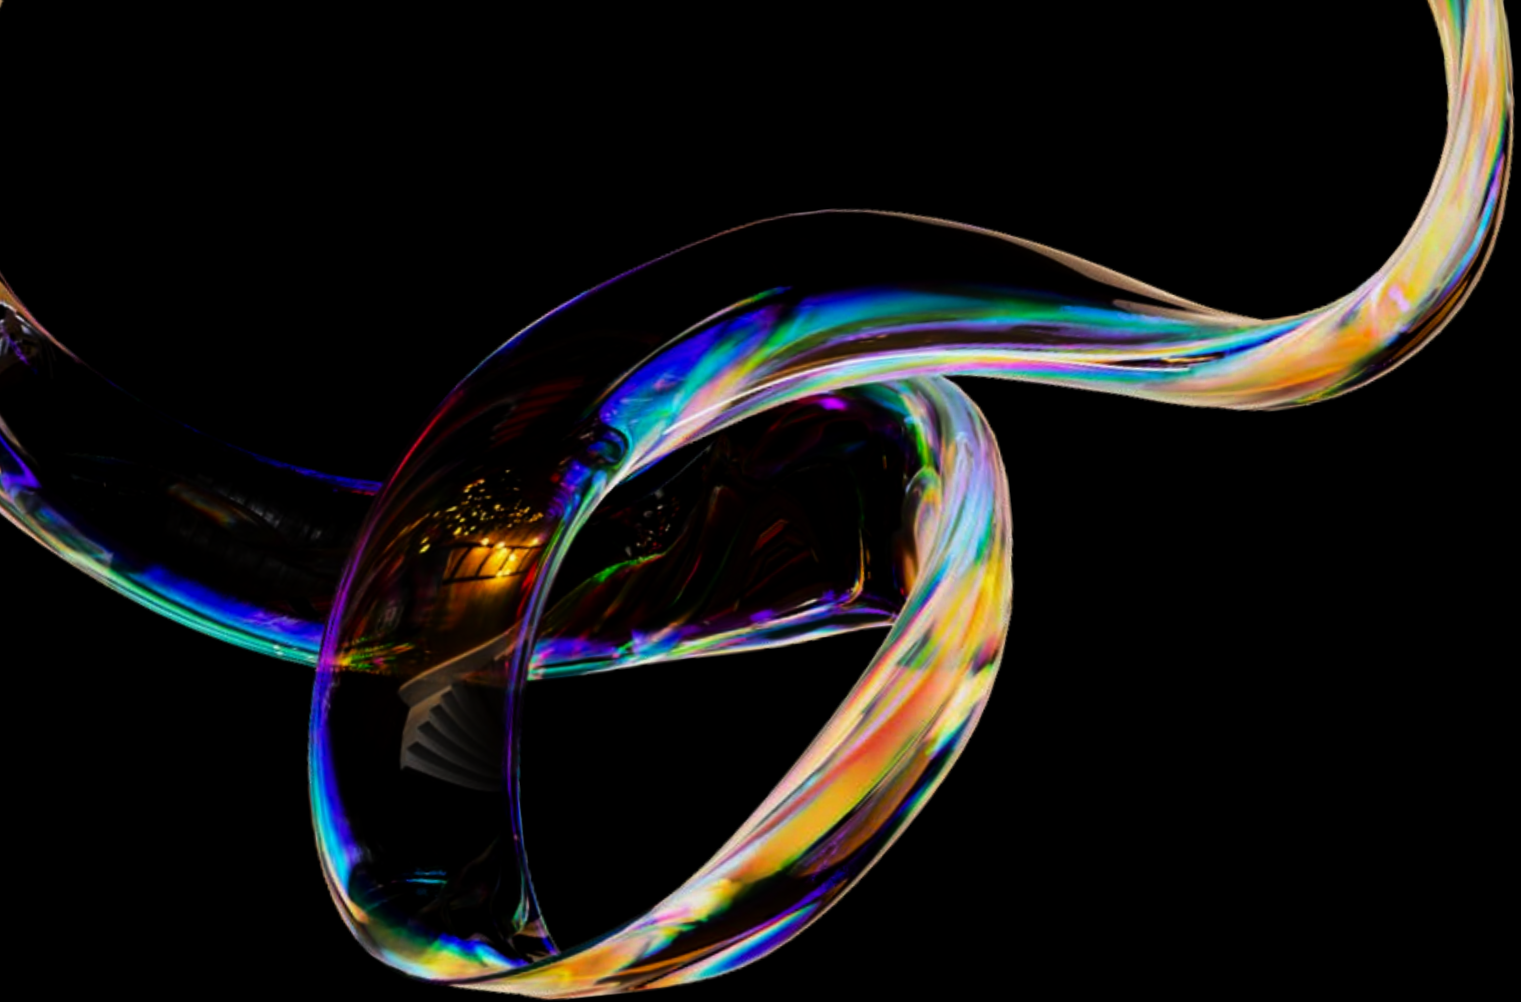

In 2006, NMPRO started producing Electronics, Gaming and Information Technology TV Shows covering the latest in Computers, Electronic Games, Software, Mobility and Telecommunication.

In 2007, NMPRO produced TASAMIM an all about Design and Decoration TV Show featuring Mega Projects, Mansions, Towers, Super-Hotels, Exclusive Resorts, Advanced Showrooms, Contemporary Art, Modern Furniture, Architecture Marvels and Interior Designs.

In 2008, NMPRO launched LATEST, a very dynamic show revealing the latest in everything, the latest Car, the latest Boat, the latest Watch, the latest Laptop, the latest Mobile Phone, the latest Lifestyle Trend, the latest Gadget, the latest Technology, the latest "anything"!

With the expansion of mobile telecommunication, NMPRO started in 2009 an entire "VAS" Value Added Service, which provides valuable content to all major Telecom Operators and Aggregators of the Middle East, for them to feed their subscribers with our exclusive productions.

After three decades of production know-how, with more than 4,000 hours of valuable content passionately created for Broadcasters, Multinational companies, renowned Brands and the World's most premium platforms, NMPRO engaged the full fledge production of high-end Drama Series, exclusive Soap Operas, upscale Documentaries, outstanding Feature Films and state of the art Shows, all of it tailored cinematically...
